INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

App. #13266.

February 8,1903.

Annie Rogers,

Vian, Okla.

Madam:-

You have on file in this office application #13266 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that your father was Potato and your other Jennie, or Tsln-ni. There are so many Jennies on the roll in the Saline District that we are unable to connect your application with the right Jennie.

Please inform this office who were Jennie's parents, giving both Indian and English names of the said Jennie's father and mother--that is, if they had English names. Were your parents married as early as 1851? We cannot find the name of your father, Potato, on the roll of 1851, but we have been able to discover the name of his sister, Katy Potato. Who were the parents of your father? In what district did they reside? Have you any aunts or uncles who have filed applications in this office? If so, please give their names and the numbers of their applications.

Respectfully,

Chief Clerk.

93 year. 2 She was recognized as white
and Indian Mixed in the community
where she lived. 3 I dont Know.

4th 1- My understanding has always been
that Polly Sanders was born in
Cherokee N.C. 2d My understaning has
been that she was with the Indians until
they wer taken out. I dont know why
she did not go with them. 3d as above
stated she was recognized as white and
and Indian Mixed in the community
where she lived.

5th I have never heard of her receiveing
any money or land from the government
on account of haveing Indian blood in
her.

6th I have never known of any Enrollment
My statement is bassed on what has
been handed down as Family History

7th if Dolly Sanders ever took part in any of the Cherokee tribal proceedings I dont know, neither do I know whether any of them voted with the white people or not.

8th 1st Dolly Sanders was living in Cherokee N.C. 2nd she did not go with the Indians when they were driven west, 3rd I cant say why she did not go them. but I have heard that since they were driven off. that she was wanting to go to them.

9th I have never heard any one say whether she was ever a slave or not.

10th My reason for thinking that my husband George Passmore has Indian blood. is that he always said so. and that the Passmores showed the blood in their faces high cheek black strait hair and yelow complexion.

11th I have heard people say that there was a treaty made with the Indians by the government. but that is all I know about it. I remember no dates. it has just been handed down. by older folks

COURT OF CLAIMS
EASTERN CHEROKEES
AUG 9 1907

App. #13389.

February 11,1908.

Nellie Bird,

Marble, Okla.

Madam:-

You have on file in this office application #13389 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your father, Lewis Simmons, your grandfather, Sam Simmons, and your grandmother, Rachel Simmons.

The name of Samuel Simmons, or that of your grandmother, Rachel Simmons, does not appear upon the roll of 1851. As your father was not born until after 1851, he was not enrolled, of course. Please inform this office in what district your grandparents on your father's side were residing in 1851 and in what county they were enrolled. Did they have any children who were born prior to 1851--that is, full brothers and sisters of your father? If so, give their names and state whether or not they were enrolled in 1851. Have you any aunts and uncles on your father's side now living who have filed applications in this office? If so, please give their names and the numbers of their applications.

Respectfully,

LWD/AIL

Chief Clerk.

Susie Duck being first duly sworn through Martin Squirrel, Interporter, deposes and says:

I don't know just how old I am but I was told I was four years of age in 1861 when the war came up. Both of my parents drew Emmigrant money in 51. They weren't married at that time but were living in Saline district. My father was living with his parents. My father's name was Dave Duck Day-wih Cuh-wah-noo. His father was named Cuh-wah-noo Cuh-nee-duh or Young Duck and his mother was named Lydia or Lih-dih. My father had a sister named Lee-sih or Lizzie. She is living yet or rather she has a daughter living named Annie Welch. She lives near Tahlequah. My father had another sister named Na-ke but I don't know whether she would be living in 51 or not . If so she was very small. See Sal. 86. I am a Night Hawk.

I am between 45 and 47 years of age, I think. My father's name was John Murphy in English and in Indian Duh-nee-suh-nih. He had a wife by the name of Su-sah-nih or Susannah in 51. Don't think he had any children born at that time. His father was named Johnson but he wasn't living in 51. His mother was named Ail-sey. Peggy Woodall or Sharp or Washand who is still living near Locust Grove is my father's full sister. I don't know what district my father was living in in 51. My mother's name was Susan Ah-lee-chuh before she was married. She is the only wife my father ever had so suppose they were living together in 51. My mother's father was named Ah-lee-chuh and her mother Dah-die-yih. They were living together in 51 but I don't know what district. I guess I am a Night Hawk.

Sir:

I am in receipt of your letter of July 19, 1909, making inquiry as to your application for participation in the Eastern Cherokee fund, in which you call attention to the fact that your brother, Robert P. Vann, has been enrolled for participation in the fund, while your claim has been rejected.

In reply you are advised that it appears from the applications that you were living in 1851 and were enrolled with your mother as an Old Settler Cherokee. You would, therefore, come directly within the provision of the decree of the Court of Claims which states that Old Settlers are not to be allowed to participate in this fund.

On the other hand, it appears that your brother, Robert P. Vann, was not born in 1851 and was not therefore enrolled as an Old Settler Cherokee with you and your mother at that time. Not being so enrolled himself he has the right to claim through his father, who was an Emigrant Cherokee. If he had been living, and had been enrolled in 1851 as an Old Settler, he would not have been permitted to claim through his father.

Very respectfully,

Special Commissioner.

Ab. #13220.

February 4 1909.

Lucy Beaver,

Bunch, Okla.

Madam:-

You have on file in this office application #13220 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim by right of your father, Jess Stevens, and your mother, La-sah.

The names of your father and mother do not appear upon the roll of 1851--at least, not as you have given them in your application. Please inform this office whether or not your parents were "Old Settlers" or Emigrant Cherokee Indians. The name of your grandfather, Foxe Stevens, does not appear upon the roll of 1851. In fact, none of the names that you have given in your application appear upon the roll of 1851. Please endeavor to obtain for this office the correct names of your father and mother--that is the Indian names, if they were enrolled under Indian names, and inform us on what roll they were enrolled and in what district. Had you any brothers or sisters who were born prior to 1901? If so, please give their names, both Indian and English. Have you any relatives on either your father's or mother's side who are your aunts and uncles and have filed applications in this office? If so, please give their names and the numbers of their applications.

Respectfully,

Chief Clerk.

Bettie Biggs on her oath states that she is a resident of the Cherokee Nation, residing about eight miles Southwest of Claremore, Indian Territory; that she has been well acquainted with the Fields family since the year 1850, when they resided in Hamilton County Tenn., About the year 1880 Cornelius Fields with his daughter, Katie Fields removed to the Cherokee Nation, but soon afterward removed to Arkansas, where said Katie Fields has since lived until about two months ago when she again returned to the Cherokee Nation. Affiant says that she knows that Cornelious Fields was the son of Willis Fields, and that Katie Fields is therefore the grand daughter of Willis Fields, who is a Cherokee Indian enrolled on the authenticated rolls of 1835.

Dear Sir:

Yours of Feby 26 relating to application No 13343 duly received.

I am not acquainted with Lucher O Tippens, Matilda Tippens, or Floyd nor Wm Tippens, of Blaine Ga. Pickens Co, I went around town and enquired of two citizens who came from Pickens Co, but could learn nothing about Tippens.

I refer you to Hon J. R. Allen, Ex State Senator who lives near them and knows almost every body in that section. His Post Office is Talking Rock Ga about two miles from Blaine, Ga. where Tippens lives.

Very respectfully

W. M. Tippens being first duly sworn in behalf of his son, L. O. Tippens, deposes and says:

That I am 57 years of age. I am the husband of Matilda Tippens and the father of L. O. Tippens who has filed application #13343. There are twelve children but this is the only one who has filed application that I know of. My wife claimed her Indian descent through her father and her grandfather. Her father was A. J. Floyd. His full name was Andrew Jackson Floyd. Her grandmother on her father's side was a Townsend and then she married a Floyd. Don't know her first name. My wife was born in 1851 and died in 1897. My wife's father was born in Anderson Co., S. C. He left S. C. for Georgia a few years before the war. While in S. C. his father and mother lived with the Indians, I suppose. Silas Floyd was my wife's grandfather but I don't know his wife's first name. Silas Floyd was 1/4 Cherokee. He lived in Anderson Co., S. C. with the Indians and died there. Never heard of any of my wife's ancestors being on any roll. My wife was recognized as white with some Indian blood. Andrew Jackson Floyd had some brothers and sisters. One brother was Sam. One of his sisters was Nancy and she married a Floyd. Mary Ann was another sister. I am a full blooded white man myself and my son's wife is a white woman.

The name of Tippins or Floyd does not appear upon the roll of 1851. Please inform this office why your ancestors were not enrolled. Also state to what race other than Indian they belonged--that is, were they Indians and Whites or Indians and Negroes? Were any of your people ever held as slaves by the Cherokee Indians?

My father and mother never lived together. I think my father took the Indian from his father. Neither my father nor mother were married. ~~Xxxx Xxxxxxxx~~ I claim my Indian blood through my father. My father and mother were not married and they never lived together. My father claimed his Indian blood through his father. Nancy Jane Perry,

Tellico Junction, Monroe Co.,Tenn.

Madam:-

You have on file in this office application #13348 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim by right of your father, Alexander Cochran,

The name of Alexander Cochran does not appear upon the roll of 1851. Was he a full-blood Indian? If not, to what other race did he belong--that is, was he part Indian and part White or part Indian and part Negro? Was he or any of your people ever held as a slave by the Cherokee Indians or by White people? Please give us the history of your Indian ancestors, starting with the full-blood ancestor and tracing down to yourself.

You are advised that none of the money appropriated for the Cherokee Indians can be loaned out to applicants or anyone else.

Respectfully,

Chief Clerk.

Dear Mada:-

Replying to your letter of August 21st, you are advised that the applications for participation in the Easter Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to participate in this fund, or how much each successful claimant will receive.

As there are already over 36,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated,and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Dear Sir:-

You have on file in this office application #1760 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state you claim by right of your father and your grandfather, giving your father's name as Jas E. Perry and answering all the other questions in the affirmative. I do not know that it is absolutely necessary for you to furnish this office with the history of your Indian relationship, but in order that the records may be complete, and to enable this office to intelligently pass upon your application, it would be well for you to furnish us with the names of your grandparents; also state, where the members of your family were living in 1851. If they were not enrolled in 1835 and 1851? If they were not living at this time, it will be necessary for you to furnish us with the names of the parties through whom you claim, so may be able to find same upon the records of this office.

Very respectfully,

Chief Clerk.

Madam:-

You have on file in this office application #13362 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state you claim by right of your father and your grandfather, giving your father's name as James H. Perry and answering all the other questions in the application with the answer "I do not know". It is absolutely necessary for you to furnish this office with the history of your Indian relations--that is, stating who was your full-blood ancestor, and tracing from that ancestor down to yourself; also stating where he resided in 1835 and where your Indian ancestors were living in 1851. Why were they not enrolled in 1835 and 1851? If they were enrolled at that time, if you will furnish us with the names under which they were enrolled, we may be able to find same upon the rolls.

Respectfully,

Chief Clerk.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. MAR 29 1909
No. 3387

Ans by
Cirl.

From John T. Ezzard,
Claremore, Okla.

Claremore, Okla., March 25, 1909.

Mr. Guyton Miller,
Washington, D. C.

Dear Sir:

I am writing you on behalf of W. S. Crittenden of Sequoyah, Oklahoma, who was the administrator of the estate of Levi Henry who died September 1908, and he prior to his death filed his application with you, we are informed, to share in the distribution of the Eastern Cherokee funds soon to be paid out to the Eastern Cherokees, and I am writing you, principally, at this time, to inquire if his application is regular and also if any further evidence seems to be necessary in connection with his application, if so, you will please communicate directly with Mr. Crittenden at Sequoyah, Oklahoma, and the matter will have prompt attention.

This Levi Henry, deceased, was the son of Polly Henry who drew money in the payment of 1852 and who is, unquestionably, Eastern Cherokee.

Polly Henry, herself, died sometime about July 1907 and had prior to her death filed her application for her distributive share in this Eastern Cherokee payment, and Mr. W. S. Crittenden was also the administrator of the estate of Polly Henry, deceased, and if any further evidence is required in connection with her application please correspond with Mr. W. S. Crittenden in regard to the matter at your earliest convenience and he will give the same prompt attention.

Please acknowledge receipt of this letter and we should be glad, if you can inform us, about when you will expect the payment to be made . We have noticed in the public prints that it is thought same xxxx will be paid sometime about June or July, this year.

Yours very truly,

J. T. Ezzard

Madam:-

You have on file in this office application #13373 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you were born in 1830 in Alabama, and that you claim by right of your father, John Dodd.

I beg to advise that the name of Dodd does not appear upon the roll of 1835 or 1851. You have given us no further information regarding your ancestors, and we are unable to trace your name. Please inform this office whether your father, John Dodd, was a full-blood Indian. If not, who was the full-blood Indian ancestor? Were your people Whites and Indians or Negroes and Indians, and were you or your father or any of your people ever held as a slave by the Cherokee Indians? Why were you not enrolled in 1851?

Your prompt reply will be appreciated.

Respectfully,

Special Commissioner.

App. #13389.

February 13,1908.

Chas. Johnson,

Cookson, Okls.

Sir:-

You have on file in this office application #13389 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that your father's name was Tsu-qu-ie-tsa-ga U-na-tsus-su- and your mother's Tsi-nu-nu.

I beg to advise that I can not find the name of your mother on the roll of 1851, and, as you state your father was not born prior to 1851, his name, of course, does not appear upon said roll. I am unable to find the names of your grandparents on your father's side on the roll. Under what name was your mother enrolled in 1851, and with whom was she living at that time, and in what district?

Also please furnish this office with the name of your sister, Nellie Foreman--that is, the name by which she is now known, and if she has filed an application in this office, please give the number of said application.

Respectfully,

LBD/AIL

Special Commissioner.
